Paper Presentation

A paper presentation is a technical festival or event where you must share your opinions on a specific issue after conducting some study.

Rules and Regulations

1. Your work must adhere to the format requirements and be original.
2. Only the.PPT or.PPTX format is accepted.
3. All engineering students are eligible to enter the competition.
4. E-Mail notifications will be sent to the participants of the shortlisted candidates.
5. The chosen teams must bring a USB device with a soft copy of paper.
6. The decision of the judges and the event coordinators must be considered final, binding on all parties, and unchallengeable.
7. Direct copying from the Internet is not permitted and is strongly discouraged.
8. Certificates of participation will be given to each candidate.
9. Participants must bring their college identification card.
10. Interested candidates can get in touch with the faculty or student organisers for any clarifications or more information.
11. The jury's verdict will be the final word.
12. Please specify the topic or branch of study that you will be delivering your work on in addition to the paper that was supplied in the designated mail.
13. Any misbehaviour or rule infringement will result in the team's disqualification.

Presentation Rules:

1. The submitted paper must be presented at the occasion.
2. The same must be submitted in electronic as well as paper form before being presented to the judges.

3. Each team will get five minutes to present their presentation. And the judges will have two minutes to ask questions.
4. Only MS-PowerPoint (ppt) will be accepted for the presentation format of the participants' papers.
5. A paper may be rejected for violating any rule.
6. Selected teams should save their ppts in the below mentioned format only - **TeamID_TeamName**. TeamID will be given to you in the shortlist email.
7. The contest's regulations are subject to change at any time, and the organisers will do their utmost to notify participants of any changes. However, it is ultimately the teams' job to stay informed.

Team Formation:

1. A team may consist of no more than four B.Tech./B.E. students.
2. Nobody is allowed to be a part of more than one team.
